

## Hot Tub Rules at Frio Treetop:

- If You Want to Lock Hot Tub Lid Tabs to keep kids out- Plastic Key for Hot Tub lid hangs inside kitchen door of Lodge. (Please don't lose it)
- Don't Stand, Sit or Lean on Top of Hot Tub Lid.
- Break Styrofoam Insulation in Lid & You will Pay \$300.00 for a new one.
- **Leave lid on hot tub when not in use; or water will cool down & motor will continue to run to try to heat water.**
- **To lift lid on hot tub-** fold front ½ of lid back over bar, then lift bar so lid hangs on bar & out of the way.
- **Don't get in Hot Tub if thermometer reads 104 degrees F or above.**
- If temperature is too hot (above 104 degrees F) leave lid off to cool water down. Call us if tempature won't go down after 30 min.
- Don't use Hot Tub if you have high blood pressure, a heart problem, or are pregnant.
- **Don't allow children to jump into hot tub.**
- **Don't leave children unattended in hot tub.**

**We clean the hot tub after each guest checks out.**

- If you Don't follow rules, get Hot Tub Dirty & want us to clean it during your stay; We will charge you for cleaning it. (Unless you stay 7 nights or more).
- If you Stay 7 nights or more; let us know when it needs to be cleaned.
- **You might notice a fine light tan colored silt on bottom, it's just unpreventable calcium in the water; not dirt.**

### **To Keep Hot Tub Clean during your stay Follow these Rules:**

- Keep the lid on hot tub when not in use.
- Shower & wash off any dirt, soaps & lotions before getting in; they make the water foamy, murky & dirty.
- Rinse detergents out of swimsuits before getting in; soap in swimsuits can make a lot of foam when the jets are on.
- **Use the bathroom before getting in Hot Tub.**
- Keep long hair tied up; so it doesn't stop up the filter.
- Don't have food, drinks or candle wax near the hot tub.

**Please Help Keep the Hot Tub Clean so your group can enjoy it.**

**Thanks for your help!**
